

Montaggio porte a scomparsa
Sliding into the wall mounting doors

Montaggio porte a scomparsa *Sliding into the wall mounting doors*

Fissare lo scivolo a terra al centro del controtelaio (fig. 1-2-3-4).

Fix the lower guide in the middle of the counter frame (fig. 1-2-3-4).

Montare la porta al controtelaio tramite le staffe in dotazione (fig. 5-6-7-8).

Install the door to the counter frame through the supplied brackets (fig. 5-6-7-8).

Passare alla regolazione con l'ausilio di una bolla (fig. 9) e serrare i carrelli alle staffe (fig. 10).

Provide to the adjustment help yourself with a level (fig. 9) and block trolleys to the brackets (fig. 10).

Montare i pilastrini (fig. 11), montare i traversi orizzontali (fig. 12) e la battuta verticale spessorandola dove necessario (fig. 13-14).

Nota: la fresata orizzontale presente sulla battuta e sui pilastrini deve combaciare con la fresata presente sui traversi (fig. 15).

Install the pillars (fig. 11), install horizontal cross bars (fig. 12) and the vertical side-beat increasing thickness if necessary (fig. 13-14).

Note: the horizontal milled on the side beat as well on the pillars, have to coincide to the milled cross bars (fig. 15).

**A QUESTO PUNTO, PASSARE AL MONTAGGIO DEI COPRIFILI
GO TO THE COVER JAMBS INSTALLATION**

Inserire la guarnizione (fig. 16).

Insert the gasket (fig. 16).

Inserire le squadrette orizzontali nei traversi (fig. 17-18-19).

Insert horizontal brackets in cross bars (fig. 17-18-19).

Unire il traverso orizzontale ai verticali, con l'aiuto di un listello ed un martello (fig. 20-21).

Joint the horizontal cross bar to the verticals one, help yourself using a wooden strip and hammer (fig. 20-21).

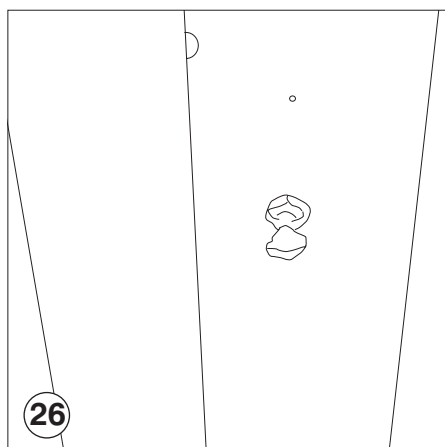

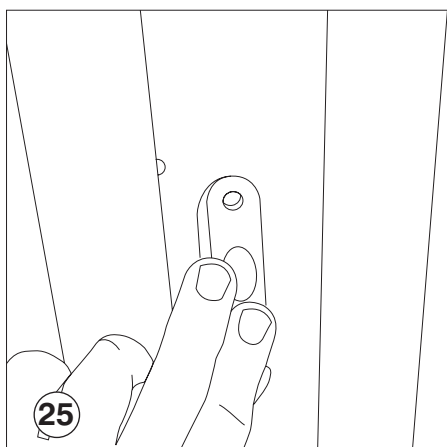

Una volta che sono uniti, serrare con l'apposita chiave la squadretta (fig. 22).

Once they are jointed, close the bracket with the properkey (fig. 22).

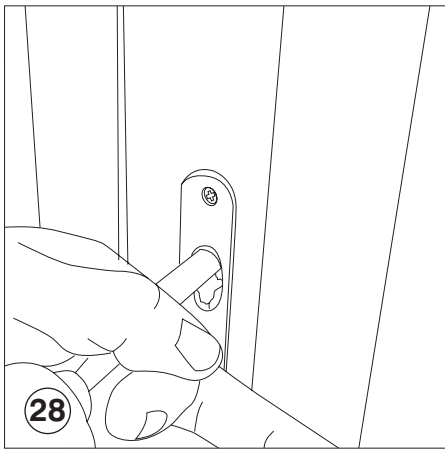

Inserire nelle fresate degli stipiti i coprifili montati (fig. 23-24), fissandole tra coprifilo e muro (no nelle fresate) con delle minime quantità di silicone.

Insert the milled door jambs the already mounted cover jambs (fig. 23-24) fixing them between cover jamb and wall (no in milled) using a small quantity of silicon.

Posizionare la contropiastra della serratura (fig. 25) marcare ed eseguire 2 forature (fig. 26). Avvitare la contro piastra solo con la vite superiore (fig. 27).

Place the counter plate in the lock (fig. 25) mark and make 2 holes (fig. 26). Screw the counter plate only using upper screw (fig. 27).

Con l'ausilio di una punta e trapano, ampliare i fori sostenendo la contro piastra come dima (fig. 28). Fissare la contro piastra con la seconda vite (fig. 29).

Using bit and drill, enlarge holes keeping counter plate as mould (fig. 28). Fix the counter plate using the second screw (fig. 29).
