

## Montaggio porta Click Click door mounting

Disporre le ante su di un piano (fig. 1) inserire le cerniere laterali (fig. 2), ruotare le viti di 90° servendosi di un avvitatore manuale. In questo modo, si bloccheranno le cerniere all'anta (fig. 3).

Arrange doors on a flat surface (fig. 1), insert lateral hinges (fig. 2) turn the screws of 90° using a hand screwdriver. In this way, door hinges will be stopped (fig. 3).

Con l'aiuto di un martello in gomma, provvedere all'inserimento delle cerniere di unione centrali (fig. **4-5**). *Proceed with the inserting of the central joint hinges, using a rubber hammer (fig. 4-5).* 

Inserire i codoli per la cerniera singola del carrello (fig. **6-7**). *Insert tangs for trolley single hinge (fig. 6-7).* 

Avvitarla con le viti in dotazione (fig. **8-9**). *Tighten using supplied screws (fig. 8-9).* 

A questo punto, unire le 2 ante lasciando un'aria di circa 3 mm tra anta ed anta inserendo il corpo centrale della cerniera nel senso corretto (fig. 10) ed avvitare con le viti in dotazione (fig. 11-12).

Joint the 2 doors maintaining a space between door and door of approx. 3mm, inserting the main hinge part in the correct direction (fig. 10) and screw in using supplied screws (fig. 11-12).

Passare al montaggio dello stipite. Inserire il carrello nel binario (fig. **13-14**). *Install the door jamb. Insert the trolley in the rail (fig. 13-14).* 

Unire il traverso con i verticali (fig. **15-16-17-18**). Joint the horizontal jamb with the vertical one (fig. **15-16-17-18**).

Inserire il telaio nel vano predisposto e metterlo in squadra con l'ausilio di una bolla o asse (fig. **19-20**). Avvitare lo stipite alla parete (fig. **21**).

Insert the frame into the prearranged space and level it (fig. 19-20). Screw the door jamb to the wall (fig. 21).

Unire le ante allo stipite, tramite le cerniere montate sulle ante e le basi montate sullo stipite (fig. **22-23**). Joint doors to the jamb through hinges installed on the doors and bases installed on the jamb (fig. **22-23**).

Inserire la cerniera singola nel carrello (fig. **24-25-26**). *Insert the single hinges in the trolley (fig. 24-25-26).* 

Passare alle regolazioni della cerniera, al fine di ottenere delle fughe omogenee (fig. 27). Inserire i tappi coprivite (fig. 28). Adjust hinges with the aim to obtain homogeneous leaks (fig. 27). Insert cover screws taps (fig. 28).
